# Overview

This curriculum is a very basic guide to help me and Insha'Allah some others through Ramadan this year. It consist of learning a variety of things once a day (du'aa a day, hadith a day, etc.). I will also include links for where things are located. Anything else that is needed will be copy and pasted into the individual day. I am forming this curriculum the same way I do things, few breaks and all about Islam, If you do not like some of the things there, just tweak it until it fits you.

I hope you enjoy!

P.S. This curriculum is designed more so for new Muslims or Muslims converted not too long ago. If you feel this is too easy or juvenile for you tweak it to make it your own! : )

**Note:** I am aware that Ramadan is only 28 or 29 days, so tweak the curriculum schedule as you wish. Insha'Allah I will be fitting the last two days of this curriculum into days when I don't have much to do. Your choice of course.

Asalaamu alaikum,

Fatima Wise ♥

# Ongoing Ramadan Projects:

A little something to work on throughout the days of Ramadan for when all other work is done and there is free time!

100 questions on Islam

## 1). Rasulallah's Life

Read the story in the link below, it is long, so it may take some time. When the reading is done, write a 3 page summary on the life of Rasulallah (saw) and write a detailed list (or a second paper) on what Rasulallah (saw) was like in his life and how you are now, and how you can aspire to be like Rasulallah (saw).

[http://www.islamawareness.net/Muhammed/ibn\\_kathir.html](http://www.islamawareness.net/Muhammed/ibn_kathir.html)

If you are a sister and have already read the story on the life of Rasulallah (saw) and have a good understanding, I will provide a link of all the wives of the prophet. Read on them and do the same assignment as above.

Pick one or two wives, unless you so desire to read the book in its entirety.

<http://www.scribd.com/doc/16595419/Wives-of-Prophet-Their-Strives-and-Lives>

## 2). Questions on Islam....100 of them.

The questions do not have to be answered at once of course, this is a project for your downtime in Ramadan, nothing to stress over. I usually do questions and stuff like this if I'm bored, or realize I'm spending too much time on Facebook, but do not want to read Quran. I like answering the questions and searching for the answers. Insha' Allah you will too!

<http://www.scribd.com/doc/7376466/100-Questions-on-Quran>

The answers are underneath the question, so try to work it out so maybe copy and paste the questions and the answers to separate Word documents.
